

Do Ya

Julie Roberts

Do you still get a thrill when ya see me comin' up the hill?
Honey, now do ya?
Do you whisper my name just to bring a little comfort to ya?
Do ya?
Do you still like the feel of my body lyin' next to ya?
Well, I guess what I'm askin'
Is do you still love me, do ya?

Oh, do you lie awake thinkin' I'm the biggest mistake you ever made?
Honey, now do ya?
And just by snappin' your fingers
You could snap them fingers and make it all go away
Honey, now would ya?
Do ya miss me when I'm gone
But sometimes wish that I'd stay gone just a little bit longer?
Well, I guess what I'm askin'
Is do you still love me, do ya?

'Cause honey, I sure do still love you
At least I think I do
And these questions I'm askin'
You could ask them of me too

Do you still get a thrill when ya see me comin' up the hill
Honey, now do ya?
Oh, do ya?
Do you whisper my name just to bring a little comfort to ya?
Do ya?
Do you still like the feel of my body lyin' next to ya?
Well I guess what I'm askin'
Is do you still love me, do ya?
Yes, I guess what I'm askin'
Is do you still love me, do ya?

Oh, do ya?
Do ya?
Tell me now, do ya?
