

## That Ain't A Crime

Julie Roberts

I could go on out tonight and do anything I want  
I can find someone to hold me  
But I've got my reasons, but reasons I don't

I know you're gone, I just can't move on  
Cause your memory is chained to my mind  
That ain't a crime

I know I should forget you  
That you're no good for me  
But that doesn't mean I don't want you  
And my broken heart and my broken dreams

I know you're gone, I just can't move on  
Cause your memory is chained to my mind  
That ain't a crime

I've tried and I've tried  
I've cried and I've cried over you  
Over you

[Instrumental Interlude]

I know you're gone, I just can't move on  
Cause your memory is chained to my mind  
It's there all the time  
And that ain't a crime
