

Sylvia, my baby
I have got to go away
In the mornin' when you rise
I'll be halfway down the highway
Neither of my two minds
Can decide if I'm at home
On the road when I know
The road ain't any kind of home

Sylvia
Don't forget me
Sylvia
Feel like I'm missing everything

Sylvia, don't forget me
Sylvia, feel like I'm missin everything
So alone when I'm not with you
But I ache to see the world
What's it even mean to have everything
If I can't share it with my girl?
Haunted by all the goodnights that I've missed
Every time your cheek goes unkissed
A day for me is a week for you
And my life's already halfway through
Tomorrow, today's worries might turn out to be regrets
Tomorrow, yesterday's glories will be a memory
I am afraid
I'm doing it the wrong way

Sylvia
Don't forget me
Sylvia
Feel like I'm missing everything
Sylvia
Don't forget me
Sylvia
Feel like I'm missing everything
