

Just a Deal

Julien Doré

It's just a deal boy
We used to learn
How do you feel boy?
You look like hurt

It's just a deal boy
But you don't care
I swear you will boy
be proud of her

Your mama is near me
and she wants more
so it's just a sorry
she fucked up before

It's just a deal boy
Just a deal
Just a deal
Just a deal
Just a deal

It's just a deal boy
you need to run
she is just like an string, boy
but now it is done

It's just a deal boy
Just a deal
Just a deal
Just a deal
Just a deal
Just a deal
Just a deal
Just a deal
