

It's a Men's Men's Men's World

Juliet Simms

This is a man's world, this is a man's world
But it wouldn't be nothing, nothing without a woman or a girl

You see, man made the cars to take us over the road
Man made the trains to carry heavy loads
Man made electric lights to take us out of the dark
Man made the boat for the water, like Noah made the ark

This is a man's, a man's, a man's world
But it wouldn't be nothing, nothing without a woman or a girl
No, No

Man thinks about a little little baby girls and a baby boys
Man makes them happy 'cause man makes them toys
And after man has made me everything, everything,
everything he can
You know that man makes money to buy, to buy from other man

This is a man's, a man's, a man's world
But it wouldn't be nothing, nothing without a woman or a girl
No, No, No

This is a man's, a man's, a man's world
But it wouldn't be nothing, nothing without a woman or a girl
No, No, No

He's lost in the wilderness
He's lost in the bitterness
'Cause this is a man's world, world, world.
