

I'm not as perfect as I know I can be  
I've been deserted and I've been cast out to sea  
What can you do? When the world seems to be laughing at you  
What can you do? when the world is looking down on you

It's a long way down when your headed for the bottom  
And I can see it now, I just had to hit the ground

From the ashes I rise  
I'm coming back alive  
Like a phoenix I'm just waiting to die, waiting to die  
I'll be a halo in the sky  
I'm Learning how to fly  
Like a phoenix I'm just waiting to die, waiting to die

I can't lift my head up, it's like I'm dying inside  
I'm dying inside and I'm so scared  
Maybe I'm such a loser  
I'm pulling it out pulling it out my hair  
What's a girl to do? When her reflection is the ugly truth  
What's a girl to do? When her song is someone else's tattoo

It's a long way down when your headed for the bottom  
And I can see it now, I just had to hit the ground

From the ashes I rise  
I'm coming back alive  
Like a phoenix I'm just waiting to die, waiting to die  
I'll be a halo in the sky  
I'm Learning how to fly  
Like a phoenix I'm just waiting to die, waiting to die

Standing on the edge  
Looking towards the sun  
If I let go, I know I can be beautiful  
Standing on the edge  
Looking towards the sun  
If I let go, I know I can be beautiful

From the ashes I rise  
I'm coming back alive  
Like a phoenix I'm just waiting to die, waiting to die  
I'll be a halo in the sky  
I'm Learning how to fly  
Like a phoenix I'm just waiting to die, waiting to die
