# Real Bad Things

**Juliet Simms**

The weight of the world on my shoulders
Making me feel so much colder
The woman I was I don't know her
I'm gonna get mine
I need a break from the pressure
That girl that I was wouldn't let her
This life you know ain't getting better
I'm gonna get mine

I'm gonna burn it
I'm gonna burn it
I'm gonna burn it down

You make me wanna do real bad things
You make me wanna say real bad things
You make me wanna be a real bad thing
Do what I want do as I please
Oh oh oh

A criminal without exposure
I won't get far without closure
My man he tells me to soldier
And make it in time
Suffer from no self expression
Bottle it up with depression
No monsters can win in concession
Cuz this is my time

I'm gonna burn it
I'm gonna burn it
I'm gonna burn it down

You make me wanna do real bad things
You make me wanna say real bad things
You make me wanna be a real bad thing
I'll Do what I want do as I please
Whoa

You make me wanna do real bad things
You make me wanna say real bad things
You make me wanna be a real bad thing
I'll Do what I want do as I please
Whoa

I'm not wasting time
Preaching lies
Real bad things real bad things real bad

I'm not wasting time
Preaching lies
Real bad things real bad things real bad

You make me wanna do real bad things
You make me wanna say real bad things
You make me wanna be a real thing
I'll do what I want do as I please
Whoa oh oh oh

You make me wanna do real bad things
You make me wanna say real bad things
You make me wanna be a real bad thing
I'll do what I want do as I please
Whoa oh oh oh
