

# Unholy

Juliet Simms

There's something about you  
And I can't be saved  
That something about you  
Is bad for me in every way

And my body is shaking  
My soul's for the taking  
And you can have it all  
I know it's forbidden  
Oh lord, I can't quit it  
I'm damned to fall

You can be unholy to me  
You can be unholy to me  
You can do anything you want to me  
Cause I want you, I want you to be  
Oh, you don't need to say that you love me  
Cause god knows this ain't meant to be  
You can do anything you want to me  
'Cause I want you  
I want you to be  
Unholy to me

I won't ask for forgiveness  
No, I ain't got no shame  
So here's my confession  
But I ain't got nothing to say

And my heart's misbehaving  
You know I can't fake it  
Nothing can shake my faith  
My lips start to quiver  
You make me a sinner  
'Cause I ain't no saint

You can be unholy to me  
You can be unholy to me  
You can do anything you want to me  
Cause I want you, I want you to be  
Oh, you don't need to say that you love me  
Cause god knows this ain't meant to be  
You can do anything you want to me  
'Cause I want you  
I want you to be  
Unholy to me  
Be unholy to me  
Oh

My body is shaking  
My soul's for the taking  
And you can have it all  
I know it's forbidden  
Oh lord, I can't quit it  
I'm damned to fall

You can be unholy to me  
You can be unholy to me

You don't need to say that you love me  
Cause god knows this ain't meant to be  
You can do anything you want to me  
'Cause I want you  
I want you to be  
Unholy to me  
I want you, I want you, I want you to be  
Be unholy to me  
I want you, I want you, I want you to be  
Be unholy to me  
I want you, I want you, I want you to be  
Be unholy to me  
I want you, I want you, I want you to be  
Be unholy to me
