

# You're Gonna Lose The Best Thing In Your Life

Juliet Simms

Love me or leave me  
Make up your mind  
Cuz I've been inside my brain  
You try to tease me  
But I like to drive  
And I'm gonna drive you insane

Wake up  
You're gonna lose the best thing in your life  
Make up  
We always like to fuck after we fight  
I can't change you anymore  
Sometimes I feel like I'm a whore  
I give you everything I have  
Wake up  
You're gonna lose the best thing in your life

I don't wanna hurt you  
But I'm getting close  
To cutting you deep inside  
I don't wanna leave you  
Sometimes you're a ghost  
And I'm the one that's still alive

Wake up  
You're gonna lose the best thing in your life  
Make up  
We always like to fuck after we fight  
I can't change you anymore  
Sometimes I feel like I'm a whore  
I give you everything I have  
Wake up  
You're gonna lose the best thing in your life

You're gonna miss me when I'm gone  
You're gonna miss me when I'm gone  
You're gonna miss me when I'm gone  
You're gonna miss me when I'm gone

Wake up  
You're gonna lose the best thing in your life  
Make up  
We always like to fuck after we fight  
I can't change you anymore  
Sometimes I feel like I'm a whore  
I gave you everything I have  
Wake up  
You're gonna lose the best thing in your life
