

# Invincible

July For Kings

I never thought any of this would break  
It was a good dream  
It's not easy trying to wake  
I never thought we'd end up here this way  
Then again, I don't think too much  
About anything I say  
About anything I say

Life was hard and the walk was far  
It didn't matter then  
Every wrong turn we made  
And the price we paid  
It didn't matter then  
I know it's been hard to wait so long on a miracle  
But wasn't it good to feel so strong and invincible

I never thought any of this would break  
We built it so carefully  
It would weather any quake  
I don't know how far we'll fall  
But anymore I don't know too much about anything at all  
Anything at all

Life was hard and the walk was far  
It didn't matter then  
Every wrong turn we made  
And the price we paid  
It didn't matter then  
I know it's been hard to wait so long on a miracle  
But wasn't it good to feel so strong and invincible

Things are different now  
And it's a wild world  
Here's to waking up  
When it was painful  
Here's to living again  
This isn't the way it was supposed to end

I couldn't blame you  
For walking out now  
I'm kinda tired, too  
But I thought that somehow  
We could hold up the sky  
I guess this means

I never thought any of this would break  
It was a good dream it's not easy trying to wake

Easy trying to wake

Life was hard and the walk was far  
It didn't matter then  
Every wrong turn we made  
And the price we paid  
It didn't matter then  
I know it's been hard to wait so long on a miracle  
But wasn't it good to feel so strong and invincible

Life was hard and the walk was far  
It didn't matter then  
Every wrong turn we made  
And the price we paid  
It didn't matter then  
I know it's been hard to wait so long on a miracle  
But wasn't it good to feel so strong and invincible
