

Life of the Party

July Talk

I don't want to fall into anything
But I can't get you out of
My mind, I tried but I can't and honestly
I kind of like it

Out of your mind, out of your mind
Out of your mind, you must be, can't get you
Out of my mind, out of my mind
You must be the life of the party

And when I feel your eyes on me
I know that you see things I don't see
And I can't tell what you're thinking
And you can't bring yourself to speaking

Now we're in the shower with all our clothes on
Do you think anyone knows we're gone?
Life of the party, life of the party
And we'll miss you when you're gone

Why'd you have to come down?
Why'd you have to come down?
I won't tell you to calm down
Never wanna come down, I like you

Out of your mind, out of your mind
Out of your mind, you must be, can't get you
Out of my mind, out of my mind
You must be the life of the party

Life of the party, life of the party
Life of a party, life of the party
Shine on my body, life of the party
I'm gonna miss you when you're gone (I'm gonna miss you, miss you)
Life of the party, life of the party
Life of the party, life of the party (I'm gonna miss you, miss you)
Shine on my body, life of the party
I'm gonna miss you when you're gone
