

Pay For It

July Talk

Well, okay then
That explains it
Guess I won't ask
Any questions

Something wrong with you
I know it
Nothing I can do
I know it

Easy set off
And I get it
Easy set off
Yeah, someone's gotta pay, gotta pay
Gotta pay, gotta pay for it

Bash his face in
That'll do it
Fuck this place up
That'll show us

Something wrong with this
You know it
Since forever
Is it embedded?

Must be hard to break these
Ancient habits
Hard to kill 'em
Yeah, someone's gotta pay, gotta pay
Gotta pay, gotta pay for it

Tell me who did this
Love them tender
I will show you
Love them true

Something wrong with them
It must be connected
Help us everyone
Everyone

Hard to break these ancient habits
Hard to kill 'em
Yeah, someone's gotta pay, gotta pay
Gotta pay, gotta pay
Gotta break, gotta break
Gotta break it open
