

## So Sorry

July Talk

You live it up, is it enough  
To be in love with a reflection?  
You wanna win, just like them  
Don't confess, you're more or less like them

So sorry, I'm so sorry  
I didn't mean it  
I'm disappearing and I'm so so sorry  
I ask myself

Why would I answer?  
You're the chosen one  
Why would I answer?  
You've already won  
Why would I answer?  
You're the poisoned one  
Why would I answer?  
That's what you want

Calling me out with a sick little pout  
Poor baby, I doubt that's what it's really about  
Living it up isn't making the cut  
You're not making the cut being something you're not

Go live it up, go be in love  
Be so in love with your reflection  
You wanna win, just like them  
Don't confess that you're just like them

So sorry, I'm so so sorry  
You paint your flag black  
You're disappearing and I'm so so sorry  
But you're not yourself

Why would I answer?  
You're the chosen one  
Why would I answer?  
You've already won  
Why would I answer?  
You're the poisoned one  
Why would I answer?  
That's what you want  
Why would I answer?  
That's what you want

What would I ask you  
If you didn't mind?  
Why would I ask you  
To decide, decide, decide  
Decide, decide, my side?  
Decide your side and my side  
Decide  
Decide  
Your side, your side and my side  
Inside, inside our insides  
Your side, your side and my side  
Our side, our side, our side

I'm not sorry, your side of the story  
You didn't mean it  
You're disappearing and I'm not that sorry  
That you hate yourself

Why would I answer?  
You're the chosen one  
Why would I answer?  
You've already won  
Why would I answer?  
You're the poisoned one  
Why would I answer?  
That's what you want  
Why would I answer?  
Why would I answer?  
That's what you want
