

Dim and the Dark

Jump, Little Children

Something caught the light
Out on the street
Then across your face
A man in a car
Pulls out on the freeway.

Somewhere between the dim
And the dark
Somewhere between the dim
And the dark.

These words in my heart
Pull like a team
Of wild horses
Side by side their heads
To the red ground.

Somewhere between the dim
And the dark
Somewhere between the dim
And the dark.

You couldn't be more beautiful to me
There's no where in this world I'd rather be
And now I know that everything's alright
If we stay between the glow and the light.

Somewhere between the dim
And the dark
Somewhere between the dim
And the dark.

Somewhere between the dim
And the dark
Somewhere between the dim
And the dark.
