

U Can Look

Jump, Little Children

Me and this girl
Red lip, blue eye, dark long curl
I dance around until her flag's unfurled
As crazy as a demon from another world
Get down, 'cause I feel like I own this whole town
So I do, so do you
Make a jungle sound, then I make one too
I try to say goodbye to the color blue, but
Ooh, I really shouldn't talk to you (x 3)
I have a six, strawberry blonde and chocolate kiss
Thigh high boots and all of this
I boogie like a fiend until pure bliss
Hello.. this is not a place that I should flow
I talk about the sky or the lunar show
I make it up as I go
So very sweet that it hurts my teeth
The topical discussion is beyond belief
I'm trapped like a mouse in a cat paw
The sexiest Persian that I ever saw
You got to speak up 'cause I cannot hear
Lips moving closer to my ear
Be a dear, not so near
Go ahead and buy me just one more beer
'cause I try to turn the focus down to my shoe
I really shouldn't talk to you (x 3)
You can look but you can't touch (x 3)
I really kinda like it but it's much too much
You can look but you can't touch (x 3)
I really kinda like it but it's much too much
My what a chick a fiery red and your first pick
Hanging out with her is quite a kick
Again not to be is the trick
She says the two of you are just good friends
All good things can come to an end
And what's the problem anyway when there's no ring?
Very interesting
Hey man, I love ya but you know how it is
Even Mr.Cracker never counted on cheez whiz
I'm trying to be cool, I swear,
But by golly, your girl is so nice
And my folly riles me up every time I even look at her
My mind is saying no, but the body does me good sir
Every little thing, ga goo goo ga goo
So what can I do?
I pick up the glue and I paste up my mouth and my eyeballs too
I really shouldn't talk to you (x 3)
You can look but you can't touch (x 3)
I really kinda like it but it's much too much
You can look but you can't touch (x 3)
I really kinda like it but it's much too much
Bass solo

I try to say goodbye to the color blue, but
Oooh, I really shouldn't talk to you (x 3)
I really shouldn't talk
I really shouldn't talk to you (x 3)
You can look but ya can't touch (x 3)
I really kinda like it but it's much too much
You can look but ya can't touch (x 3)
I really kinda like it but it's much too much
Repeat...
