

Hotline Bling

June's Diary

You used to call me on my cell phone
Late night when you need my love
Call me on my cell phone
Late night when you need my love
I know when that hotline bling
Baby that could only mean one thing
I know when that hotline bling
Baby that could only mean one thing
Ever since I left the city you, you, you...

Got a reputation for yourself now
Everybody knows and I feel left out
Boy you got me down, you got me stressed out
Ever since I left the city you, you, you
Started wearing less and going out more
Bottles of champagne out on the dance floor
Hanging with some dudes I never seen before no, no, no

You used to call me on my cell phone
Late night when you need my love
Call me on my cell phone
Late night when you need my love
I know when that hotline bling
Baby that could only mean one thing
I know when that hotline bling
Baby that could only mean one thing
Ever since I left the city
