

# I Ain't With It

June's Diary

I got me a new nigga  
I only see at night yeah  
And two bitches (two bitches)  
That I keep on the side yeah  
I keep my options open (yeah yeah)  
I can't keep losing focus  
Think they falling  
They keep calling uh uhh

Never been good at falling in love right back uh  
Don't want no trouble and all that uh  
Don't call uh ca- don't call uh put it like that  
(Put it like that why you)  
Why you tripping then you switch  
Then come kissing on my lip  
Yeah yeah

Say you tryna wife me  
(I ain't with it sorry)  
Be there for me nightly  
(I ain't with it sorry)  
I'm on my own team  
(I ain't with it sorry)  
Sorry
