

L.A.N.C.E.

June's Diary

Don't be Lance
Lance got a good girl at home
But keep a hunnid chicks in his phone
Always in and out, and on the go
Ladies know, don't want Lance
Tell you that he love you everyday
But always in some other female's face
Acting like he can't be replaced
What ya say?

He's just a lying ass nigga cheating everyday
But he might fool you from the way he talk below the waist
He's just a lying ass nigga cheating everyday
If you got a L.A.N.C.E., then put your hands up and say

I, I, I don't want Lance, and say
I, I, I don't want Lance, and say
I, I, I don't want La-a-ance
Don't want no lying ass nigga cheating everyday

Uh don't be no L.A.N.C.E
Don't buy me no bags, shoes, or clothes
Out of guilt from spending money on them hoes
Just cuz he take you to dinner in his new Rose
Ladies know, don't be Lance
Tell you that he love you everyday
But always in some other thotty's face
Acting like he can't be replaced
Mmm, what you say?

He's just a lying ass nigga cheating everyday
But he might fool you from the way he talk below the waist
He's just a lying ass nigga cheating everyday
If you got a L.A.N.C.E., then put your hands up and say

I, I, I don't want Lance, and say
I, I, I don't want Lance, and say
I, I, I don't want La-a-ance
Don't want no lying ass nigga cheating everyday

He calling every girl pretty
And be on kitty to kitty
He go from city to city
Looking for sticky and icky
He buying Vicky's for Vicky
Britney, Tiffany, and Nicky
So if you think that you the only one
I'm sorry, your silly
That nigga sideways
You give him the parking spot in your driveway
And then you bust it open on the fire place
So now you got him thinking that you blinded
He need reminding

He's just a lying ass nigga cheating everyday
But he might fool you from the way he talk below the waist
He's just a lying ass nigga cheating everyday

If you got a L.A.N.C.E., then put your hands up and say

I, I, I don't want Lance, and say
I, I, I don't want Lance, and say
I, I, I don't want La-a-ance
Don't want no lying ass nigga cheating everyday

Don't be Lance
Don't be Lance
Don't be Lance
Don't be Lance
