

Poison

June's Diary

June's Diary in full effect
JD up in this bih...
Shy, you ready
Yeah

Girl, I, must warn you
I sense something strange in my mind, uh
Situation is serious
Let's cure it cause we're running out of time
It's oh, so beautiful
Relationships they seem from the start, uh oh
It's all so deadly
When love is not together from the heart
Uh huh, check it out

It's drivin' me out of my mind
That's why it's hard for me to find
Can't get it out of my head
Miss him, kiss him, love him
(Wrong move you're dead!)
That boy is poison
Never trust a big dick and a smile
That boy is poison

(If I were you I'd take precaution)
Before I step to meet a fly girl, you know?
Cause in some portions
You'll think she's the best thing in the world now

He's so fly
He'll drive you right out of your mind
Steal your heart when you're blind
Beware he's schemin'
He be making you think that you dreamin'
You'll fall in love and you'll be screamin', demon, oh

Poison, deadly, movin' slow
Lookin for a mellow fellow like DeVoe
Gettin paid, laid, so better lay low
Schemin on house, money, and the whole show
The low pro ho he'll be cut like an aaa-FRO
See what you're sayin', huh, she's a winner to you
But I know he's a loser
Me and the crew used to do her, ha

(Poison...)

(That boy is poison hey
That boy is...)

Yeah
It's Gabby I'm about to rock this for the 5!

I was at the bar, shake, breakin and takin 'em all
And that night, I played the wall
Checkin' out the fellas, the highs and lows
Keepin' one eye open, still clockin' the hoes

There was one particular boy that stood out from the rest
Poison as can be, the high power chest
It's G town now and I'm runnin' the show
JD you know
Well now you know
Yo, Ash
Blow..

It's drivin' me out of my mind
That's why it's hard for me to find
Can't get it out of my head
Miss him, kiss him, love him

That boy is poison poison, hey
Never trust that pretty smile
That boy is poison, ooh ooh
That boy is poison
He's dangerous dangerous
Poison
Hey...
That boy is
Poison

JD out, ha ha ha
