Problem

June's Diary

Boy you know that I been here for ya
And you know that I'll be there for ya
Every time you need it, I came through (yeah)
Even talked to your girl for ya
That's how much I really care for ya
Does it bother her that we're so cool?

I've been dreamin' all this time
Only if the boy was mine
Don't wanna step on nobody's toes
But you don't know you like I know
Like I do, oooh
Like I do

Tell me, would it be a problem
If I tell you that I want you
Would it be a problem, bae
If you knew how bad I do
Would it be a problem
If she knew how many times in the night
Baby you be callin'
Lemme know, lemme know, lemme know

I don't wanna be a problem
I don't wanna be a
Lemme know, lemme know, lemme know
Baby, would it be a problem?
I don't wanna be a
Lemme know, lemme know, lemme know
Baby, would it be a problem?

Long as I been there for ya
I was cool with being friends 'till I fell for ya (fell for ya)
Every night I had to face the truth (that I'm)
Sick of callin' you my play-brother
When I really wanted you under my covers
Knowin' all the things that she don't do

I been dreamin' all this time (dreamin', dreamin', dreamin')
Only if the boy was mine
Don't wanna step on nobody toes
But she don't know you like I know (she just don't know)
Like I do, oooh
Like I do

Tell me, would it be a problem (would it be a problem)
If I told you that I want you
Would it be a problem, bae
If you knew how bad I do
Would it be a problem
If she knew how many times in the night
Baby you be callin'
Lemme know, lemme know, lemme know

I don't wanna be a problem
I don't wanna be a
Lemme know, lemme know, lemme know

Baby would it be a problem?
I don't wanna be a
Lemme know, lemme know, lemme know
Baby would it be a problem?

(Would it be?)
(Would it be?)
(Would I be?)
