

Two Occasions

June's Diary

Oh baby
A summer love is beautiful
But it's not enough
To satisfy emotions
That are shared between us
A winter love is cozy
But I need so much more
It intensifies my wants
To have a love that endures

Cause every time I close my eyes
I think of you
And no matter what the season is
I still love you
With all my heart
I wanna be with you
Wherever you are

I only think of you on two occasions
That's day and night
I need your love
I'd go for broke
If I could be with you (yeah)
Only you can make it right
(Make it right, make it right baby)

An autumn love is special
At this time of the year
But when the leaves are gone
Does that love disappear
I never underestimate the love of spring
But I'm glad to say in my heart
I know my love's lasting

Cause every time I close my eyes
I think of you
No matter what the season is
I still love you
With all my heart
And I wanna be with you
Wherever you are

I only think of you on two occasions (two occasions)
That's day and night (day and night baby)
I'd go for broke (I'd go for broke)
If I could be with you (if I could be with you babe)
Only you can make it right (only you can make it right)
(Oh yeah yeah yeah yeah I only think of you)
I only think of you on two occasions (7 days a week yeah)
That's day and night (day and night)
I'd go for broke if I could be with you
Only you can make it right (make it right, make it right)

Every time I close my eyes
I think of you
No matter what the season is
I love you

With all my heart
I wanna be with you (I wanna be with you)
Wherever (wherever)
You are

I only think of you on two occasions
That's day and night (that's day and night)
I need your love
I'd go for broke
If I could be with you
Only you can make it right (I can make it right)
