Jung Kook

1, 2, 3D

I can't touch you through the phone
Or kiss you through the universe
In another time zone
It's the only time I can't reverse

But when there's 2 dimensions
There's only 1 I'm missing
And if you feel alone
You don't have to feel that no more

I just wanna see you like that
See you like that, uh uh

So if you're ready
And if you'll let me
I wanna see it
In motion
In 3D

You won't regret me
Champagne confetti
I wanna see it
In motion
In 3D

'Cause you know how I like it girl
3D
You know how I like it girl

Careful what you ask for...
Jung and JT on the main now
You can still find me in a drop top
With the top down but I got so many lanes now
And when I put it into 6 and it clicks,
All the tricks got you going insane now
I'll reach through the screen, feel my touch, top up
While I'm watching you rain down
Come with me, I'll just call up the plane now
Now let me fly you out to Seoul, Korea
I just wanna get into your soul like Aretha
I got the volume when you wanna get the beat up
Cause it's like 3D when we meet up
And I...

I just wanna see you like that
See you like that, uh uh

So if you're ready
And if you'll let me
I wanna see it
In motion
In 3D

You won't regret me
Champagne confetti

I wanna see it
In motion
In 3D

Body to body to body to body to body
You and me baby you know, that we got it
So don't go getting me started
'Cause you know I get hot hearted
Baby oh baby oh baby you making me crazy
Rain rain rain you can't fake it
You give me brand new emotion
You got me drinking that potion

I just wanna see you like that
See you like that, uh uh

So if you're ready
And if you'll let me
I wanna see it
In motion
In 3D

You won't regret me
Champagne confetti
I wanna see it
In motion
In 3D

'Cause you know how I like it girl
3D
You know how I like it girl
3D

'Cause you know how I like it girl
3D
You know how I like it girl
