I can't touch you through the phone  
Or kiss you through the universe  
In another time zone  
It's the only time I can't reverse  
But when there's two dimensions  
There's only one I'm missing  
And if you feel alone  
You don't have to feel that no more

I just wanna see you like that  
See you like that, uh uh

So if you're ready (So if you're ready)  
And if you'll let me (And if you'll let me)  
I wanna see it in motion, in 3D (Uh uh)  
You won't regret me (You won't regret me)  
Champagne confetti (Champagne confetti)  
I wanna see it in motion, in 3D  
'Cause you know how I like it, girl  
3D  
You know how I like it, girl  
3D

Body to body to body to body to body  
You and me, baby, you know that we got it  
So don't go getting me started  
'Cause you know I get hot hearted  
Baby, oh baby, oh baby, you making me crazy  
Rain, rain, rain, you can't fake it  
You give me brand new emotion  
You got me drinking that potion

I just wanna see you like that  
See you like that, uh uh

So if you're ready (So if you're ready)  
And if you'll let me (And if you'll let me)  
I wanna see it in motion, in 3D  
You won't regret me (You won't regret me)  
Champagne confetti (Hey)  
I wanna see it in motion, in 3D  
'Cause you know how I like it, girl  
You know how I like it  
3D  
You know how I like it, girl  
You know how I like it  
3D  
'Cause you know how I like it, girl  
You know how I like it  
3D  
You know how I like it, girl

I'm on my Jung Kook  
Take a chick off one look

And when they get took  
They don't ever get untook  
When I seen that body you would think it was a dead body  
The way I told my boys come look  
I used to take girls up to Stony Brook  
And steal they hearts like some crook  
True story  
Now when I hold somebody's hand, it's a new story  
All my ABGs get cute for me  
I had one girl, too boring (One girl)  
Two girls, that was cool for me (Two girls)  
Three girls, damn, dude's horny  
Four girls, okay now you whoring (Hey, hey, hey)  
I'm loose  
I done put these shrooms to good use  
I done put my city on my back  
And the world know my name, I'm the truth

So if you're ready  
And if you'll let me  
I wanna see it in motion, in 3D  
You won't regret me (Won't regret me)  
Champagne, confetti (Champagne, confetti)  
I wanna see it in motion, in 3D (Just show it to me girl now)  
'Cause you know how I like it, girl  
3D  
You know how I like it, girl  
Oh yeah, alright  
3D  
'Cause you know how I like it, girl  
You know how I like it

And as for thots, well do you really wanna know? I thought so  
I'll fly you from Korea to Kentucky  
And you ain't gotta guarantee me nothing, I just wanna see if I get lucky  
I just wanna meet you in the physical and see if you would touch me
