

# Hate Everything

Jung Kook

Had a perfect picture in my head  
With you in the most beautiful dress  
I look happy as ever  
How did I let you go again

Now I'm standing alone in the rain  
Like the kinda movies that we used to hate  
Wish I could take back the time  
But I know this time it's real

Hate that I'm singing this song  
I hate that I have to be strong  
Hate that you're gone  
I hate all my flaws  
Hate that you love someone else  
Hate everything  
Just hate everything  
Right now
