Please, you stay alive
(Woah-oh-oh, woah)
Please, you stay alive

Mmm, please stay alive, yeah
Where did it go wrong
I don't remember at all
I whisper as I hide in a small room

Darkness is my only friend (my friend)
My hands reaching out for salvation
Am I weird
In the room stained with blood
Someone please save me

Hide in the moonlight
There are no miracles for me
Just my wishes
Hide in the moonlight
I'm not asking for a lot
But i guess it's too much

At the end of the dawn when I can't fall asleep
It's like I'm wandering through a nightmare with my eyes open
I'm the one who said there's no miracle
That one word that came like a miracle

You are my fate
No words can express it enough
Salvation that saved a wearied me
Is that easier to explain
That one word that saved me

Even after many nights
I'll be by your side

Oh, yeah (that one word)
Even if my feet bleed
I'll be by your side

Please, you stay alive
(Woah-oh-oh, woah)
Please, you stay alive
(Woah-oh-oh, woah)
Please, you stay alive

The shadow is getting bigger
It's okay, thanks to the big light you are
The reason for my life is you
So always smile like that

You look so much like me
I look so much like you
Sometimes, I get scared for no reason
What is this feeling
I don't know if it'll end

After this endless nightmare
You make me wake up every day
It resembles a miracle
And came like one, that one word came like a miracle

You are my fate
No words can express it enough
Salvation that saved a wearied me
Is that easier to explain (Ooh)
That one word that saved me

Even after many nights
I'll be by your side
Oh, yeah (that one word)
Even if my feet bleed

Please, you stay alive

You are my salvation
