I'm walking to the forest
Instead of saying sorry
I'm slowly walking
I'm walking next to you of my memories
You couldn't say anything
You only looked at me
But I left you behind
And mindlessly ran away
I remember how immature I was
I try erasing and erasing
But nothing has changed from then
I'm walking to the forest
Filling up my empty heart
I'm slowly walking
I'm walking on memory lane by myself
It's all over now
That's what I told myself
I want to go back in time
And hold you, like in my dreams
But I know you probably forgot about it all
Everything has changed
I'm walking to the forest
Instead of saying I miss you
I'm slowly walking
I'm walking next to you of my memories
To meet you, who has been forgotten
