White air comes out of my long sigh
This street is especially colder
The season that shined with love has passed
And my time has frozen
You had a smile like the springtime flowers
We were under the umbrella in the summer rain
The last fall night that I brought you home
And suddenly, it's winter, winter
Why is it so hard living without you?
Why can't I forget you?
I can't let you go because there are too many memories
There's still too much of you in my world
You are my day
Spring, summer, fall then spring
I only live in memories of you
A day without you, those remaining times
Now there's no meaning at all
Why is it so hard living without you?
Why can't I forget you?
I can't let you go because there are too many memories
There's still too much of you in my world
I can't let you go
Now I finally know
Me without you isn't me at all
There is no laughter, no hope
Are you really ok living without me?
Are you happy now that we've broken up?
When I'm going crazy, when I'm all ruined
Are you okay even without me?
I need you
