It felt like the world had stopped
 When I ran into you on the street
 Even when I heard updates on you
 I had to hold it in
 You fool, I'm hurting because of you
 Why are you dressed so thinly?
 Your eyes that avoid me, your thin face
 I hate it so much
 That I'm getting drunk all night
 Where did it go wrong?
 If only I slowly waited for you
 But my reality was miserable
 And only my heart grew
 You said it was hard because of me
 You said you wanted to be happy
 Do you know how hard it was to let you go?
 You fool, I'm hurting because of you
 Why are you dressed so thinly?
 Your eyes that were my everything, your faced that I loved
 It's still so good to see them so tears fall
 Because we were young, because we were upset
 Because you were precious, because I was nervous
 I know I ruined it all, I'm sorry for everything
 You fool
 Do you know how much I loved you?
 Do you know how hard it was to break up?
 Let's never see each other again
 Please be well so I can't hold onto you
