

Kkamake datin bada sogeul hemeideut
Like the feelings about you
I wanna know you
Barabon sungan garaanja nan

'Cause, everytime you look me in the eyes
You make me lose control
Kkeureodanggideut neoreul ango

I wanna hold you squeeze you
Seoroui momeul matchulttae
Baby, you know you don't wanna stop
Seoroui mome anginchae

Meoreojiji anke kkwak nal anajwo
The place we've been dreaming
I'm lost in you
Don't know the way out

Now I'm drowning in you
Kkeuchi boiji aneul mankeum gipi
Neoui momjit neoui pyojeong neoui modeungeotdeuri naege wa
Baby, I'm calling out to your body

'Cause, everytime you look me in the eyes
You make me lose control
Kkeureodanggideut neoreul ango

I wanna hold you squeeze you
Seoroui momeul matchulttae
Baby, you know you don't wanna stop
Seoroui mome anginchae
