Be honest
You're not like yourself, what's wrong?

Today
You're acting more shy
It's awkward

You keep biting your lips
Touching your bangs for no reason
Something is definitely up
Why are you avoiding my eyes?
Did I do something wrong?
Say something

Who said that I like you?
Who said those thankful words?
I don't know who told you
But I tried so hard not to get caught
How did they find out my heart?

Who (who said?)
Who (who said?)
Because of you, I can't even sleep
Who (who said?)

Should I make it a little obvious?
Should I just count the stars?
It's funny, not long ago
You were just a dream to me
But now, I'm filled with thoughts of you
But you will never know my heart
Damn it, you're so slow
Please grab my hand

What happened?
What did you hear?
Just be honest and tell me everything
Why are your cheeks getting red?
Did I make a mistake?
Say something

Who said that I like you?
Who said those thankful words?
I don't know who told you
But I tried so hard not to get caught
How did they find out my heart?

Everyone knows
But you don't know
What do I do?
What do you think about me?

I'm really curious
Will you tell me honestly now?

Who said that I'm gonna confess today?
Who said those thankful words?
I don't know who told you
But if they say that again
Tell them I won't leave them alone

Who (who said?)
Who (who said?)

If you feel the same way
Stop thinking about it and just come to me
