Down on their farms

They are deprived of their power
Eradication without law

Agent Orange
Agent Orange
A fire that doesn't burn

All the marks erased long ago
Scars are healed up
Cancer creeps into their innocent souls
Memorials of flesh and blood
Have survived unlawfully punished
Poisoned till the end of their lives
Physical deformity
What medicine will help?
Still births will rise

Agent Orange
Agent Orange
Agent Orange
A fire that doesn't burn

Grieved weak hearts are crying
Waiting for the end
In this condition they are dying
Newborns of the damned
Preserved in test tubes for generations
Vicious circle of transmission
There's no way for reparations
Must live with chemical agent called

Agent Orange
