

# Haunting Future

Jungle Rot

Passed through generations  
Archaic hatred within  
Xenophobic intentions  
Systemic, tyrannical rule  
War has been declared  
Justice is bought and sold  
Absurd lack of compassion  
Beyond all comprehension

This could drive a man to kill  
The doctrine of hate  
Say goodbye to your free will  
A haunting future awaits

Spite cloaked in tradition  
Repulsion to new design  
Keep us fighting each other  
Power seized before our eyes

This could drive a man to kill  
The doctrine of hate  
Promises go unfulfilled  
A haunting future awaits

Through violent acts  
System redefined  
Denounce your ideals  
Dissent now a crime  
Oppressing the meek  
With tactics corrupt  
Democracy's end  
Terrible and abrupt

Hundreds of years  
Primitive laws  
Rise up and revolt  
Stand up for your cause  
Justified grievance  
Domestic unrest  
When society's judged  
By the hue of the flesh

This could drive a man to kill  
The doctrine of hate  
Can't believe all this is real  
A haunting future awaits  
This could drive a man to kill  
The doctrine of hate  
Can't believe all this is real  
A haunting future awaits
