

## Back On 74

### Jungle

You keep me walking on the same line  
When we get high on my break time  
And we're just watching from the same town  
But that don't change when it break down  
Then we were talking 'bout the same crime  
No, it don't hurt when it rains now  
Learnt my lesson at the same time  
Ooh-ooh-ooh-ooh, where did it

Go? Back on 74 (When I noticed you)  
Call this place my home (Ooh, ooh)  
Never gonna cry anymore  
Where did it all—

(Ooh, oh, oh-oh)  
(Ooh, oh, oh-oh)  
(Ooh, oh, oh-oh)  
(Ooh, oh, oh-oh)
