

I've Been In Love

Jungle

Shit

In my Tesla, might get arrested
She sittin' on my new shit, we still getting messy
Playing Anita while she got her feet up
And she lick me from the neck up, all I wanna do it fuck it
I don't care if you rush it, only care if you touch it
Them be saying that you buzzin', back seat for good lovin'
We coulda just got a hotel, you look good, fuck, oh well
Only care if you want me

I've been in love
I've been in love
I've been in love
I've been in love

Pussy got gold doors, make a nigga wanna relapse
Pussy got gold floors, make a nigga wanna recap
I could tell I loved you from the first day
I said you was willing, when first met, you were lost

I've been in love
Dyin' just to be in your arms
I've been in love
Buy you diamonds, do you like Vuittons?
I've been in love
My lovin' 'bout to sound the alarm
I've been in love
It's a fire in my heart, it's so

Oh, I'm dyin' to be in your arms
Oh, I'm dyin' to be in your arms
Shit

I've been in love
Dyin' just to be in your arms
I've been in love
Buy you diamonds, do you like Vuittons?
I've been in love
My lovin' 'bout to sound the alarm
I've been in love
It's a fire in my heart, it's so
I've been in love
I've been in love
I've been in love
I've been in love

We back in my Tesla and we might get arrested
She know this my new shit, we still acting reckless
We're playin' Anita while I got her feet up
And she lickin' from the neck up, all I wanna do is fuck it up
Yeah, yeah-yeah, I

I'll take my time if she give me that
You know I love it, girl
