

# Lemonade Lake

Jungle

So who do I see, heh, coming up from lemonade lake  
She come for me  
She coming in for something warm  
Coming up in from lemonade lake

Every day every night, che'yeah  
I miss you  
I miss you  
Every day and every night  
Cause I don't know what went wrong, no  
I miss you  
I miss you

So who do I see, heh  
Coming up from lemonade lake  
Yeah  
The deep blue sea  
Is coming up with something more  
She's coming in from lemonade lake

Every day and every night, che'yeah  
I miss you  
I miss you  
Every day and every night  
Cause I don't know what went wrong, no  
I miss you  
I miss you  
Every day and every night  
Every day and every night  
Cause I don't know what went wrong

You better shine  
My head is under water now  
You better shine  
My head is under water now

Every day and every night, che'yeah  
I miss you  
I miss you  
Every day and every night  
Cause I don't know what went wrong, no  
I miss you  
I miss you  
Cause I don't know what went wrong

(I don't know what went wrong my dear  
I've been searching for you for all these years darling)

I miss you  
I miss you  
Everyday and every night  
Cause I don't know what went wrong  
I miss you  
I miss you  
Everyday and every night  
I miss you  
I miss you

I don't know what went wrong my dear  
I've been searching for you for all these years darling
