

## Palm Trees

## Jungle

Here we come  
Palm trees  
Through the dust  
I see  
In your love  
I'm free

Here we come  
Palm trees  
Through the dust  
I see  
In your love  
I'm free

Freedom  
In my body  
Was so real  
Give me fever  
In the party  
I can't wake up

Here we come  
Palm trees  
Through the dust  
I see  
In your love  
I'm free

Freedom  
In my body  
Was so real  
Give me fever  
In the party  
I can't wake up

Here we come  
Palm trees  
Through the dust  
I see  
In your love  
I'm free

Here we come  
Palm trees  
Through the dust  
I see  
In your love  
I'm free  
No one like me

Here we come  
Palm trees  
Through the dust  
I see  
In your love  
I'm free  
No one like me

Here we come  
Palm trees  
Through the dust  
I see  
In your love  
I'm free  
No one like me

Here we come  
Palm trees  
Through the dust  
I see
