Ooh brother
Ooh it's funny
How good you are

I'll knock you down Brother, please Go tell Who you Want to

Under the ricks
Down by the beach
No, I'm not
Where you
Want me

I'll knock you down
Brother, please
Go tell
Who you
Want to

I see the snake Down by my feet Walk on Just you Watch me

I'll knock you down
Brother, please
Go tell
Who you
Want to

Behind my back
And the love beneath
Whispered
Into
Nothing
