

# Talk About It

## Jungle

Feeling  
Every day  
You ain't got no reason  
To walk away  
I'm healing  
Operate  
Help me find the meaning  
On the way

What I gotta do?  
To start up with you  
What I gotta do?  
To start something new  
What I gotta do?  
To start living in the sunshine every day

Let's talk about it  
Don't run  
Please just talk about it  
How you changed my life  
Let's talk about it  
Don't run  
'Cause I knew you when you came along

(Let's talk about it)  
(Don't run)

True love  
Won't pretend  
We don't need no slowdance in the sand  
Promise you I'll feel good once again  
And I'll be there with you  
When it ends

What I gotta do?  
To start up with you  
What I gotta do?  
To start something new  
What I gotta do?  
To start living in the sunshine every day

Let's talk about it  
Don't run  
We just talk about it  
How you changed my life  
Let's talk about it  
Don't run  
'Cause I knew you when you came along

The highs and lows  
I will always be there  
The higher you go  
I will always be there  
The highs and lows  
I will always be there  
The higher you go  
I will always be there

I will always be there  
I will always be there

Let's talk about it  
Don't run  
We just talk about it  
How you changed your life  
Let's talk about it  
Don't run  
'Cause I knew you when you came along

(Let's talk about it)  
(Let's talk about it)
