

## Get It Right

JUNGLEPUSSY

Sweat me your edges curl when I come out  
Head to toe new growth I let my shit grow out  
I'm the chick that your babygirl know 'bout  
Super duper stank bitch  
Crank that superman like Sister Souljah dancing  
If I said it then I meant it with a passion  
I'm passing on the peas, please, bring your ass in  
Knock, knock, nigga, I ain't really asking  
I'm taking everything 'cause free napkins  
I'm cockblocking, suck it up, shit happens  
Two shots of the Henn, what's happenin'?  
We at the crib where my bitches get their hair did  
Talking shit, same shit, ain't no different dick  
Flip on a bitch quick, can you handle it?  
Junglepussy 3000, no dismantling  
Yeah, that's right

G-g-g-get it right!  
I'm on something at the function and I'm feeling right  
Junglepussy in the building, better get it right  
Get-get, get it right!  
Get-get, get it right!  
G-g-g-get it right!
