The Equalizer

Junior Boys

So stay What for? Get lost Off the floor 'Cause there's fire all around 'Til my hands tap the door Spring time You're going to wish that we were friends That we talked You'll never feel so sure again So now There'll be no more lessons no more cures 'Til you get yours, baby, in the end Oh run Give way Which face? Whose name? You're falling from my eyes To the bottom, you're all the same Spring time You're going to wish that we were friends That we talked You'll never feel so sure again So now There'll be no more lessons no more cures 'Til you get yours, baby, in the end Spring time You're going to wish that we were friends That we talked You'll never feel so sure again So now There'll be no more lessons no more cures 'Til you get yours, baby, in the end
