# Beginnings

**Junip**

When you invited them in
Didn't expect to hit so soon
When you invited those thoughts
Didn't expect to hit so hard

Accept to live without answers
To the questions running around your mind
Searching for meaning where there is none

All those thoughts of beginnings
All those thoughts of endings

Hope to see a light
Before the day you die
Tired of asking for
The reasons why

Accept to live without answers
To the questions running around your mind
Searching for meaning where there is none

All those thoughts of beginnings
All those thoughts of endings

Hope to see a light
Before the day you die
Tired of asking for
The reasons why
