

## It's Alright

Junip

Blinking lights are guiding you away  
Static voices telling you to stay  
Curvy roads will lead you through the night  
Cranky figure tells you it's alright, it's alright  
Blinking lights are guiding you away  
Static voices telling you to stay  
Curvy roads will lead you through the night  
Cranky figure tells you it's alright

Hiding failures  
Days of plans out to the east and back  
No one will ever know

Blinking lights are guiding you away  
Static voices telling you to stay  
Curvy roads will lead you through the night  
Cranky figure tells you it's alright, it's alright it's alright
