

Goodbye

Juniper

I've walked a hundred miles
I've sailed across the sea
But now I've realized something
I feel so free

Goodbye, goodbye, goodbye to you
Hey! Good never felt so good
Goodbye, goodbye, goodbye to you
Hey! Good never felt so good

I'm standing on a living room chair
No worries left to spare
If you want me back girl, I won't be there

Goodbye, goodbye, goodbye to you
Hey! Good never felt so good
Goodbye, goodbye, goodbye to you
Hey! Good never felt so good

Hey
Oh
Hey, hey hey hey
Goodbye
Hey
Goodbye, goodbye
Oh

Goodbye, goodbye, goodbye to you
Hey! Good never felt so good
Goodbye, goodbye, goodbye to you
Hey! Good never felt so good
