

Here For The First Time

Juniper

Party beads and empty bottles
Your girl's on some supermodel
But she looked bored so I didn't bother
Traded all of their shots for water
Oh everybody left the party early
But I stayed

So I go dancing like the movies
I don't care if the lights are on
We're all here for teh first time
Awkward shuffle like it's high school prom

So I go
Ba ba ba ba ba ba ba ba ba ba ba ba
Ba ba ba ba ba ba ba ba ba ba ba ba

Instigating drama queens
I go out and find your girl
She told me you ended things 'bout a week ago
We smoked up and we saw a show
Oh everybody's always in a hurry
But I got nowhere to be

So I go dancing like the movies
I don't care if the lights are on
We're all here for teh first time
Awkward shuffle like it's high school prom

So I go
Ba ba ba ba ba ba ba ba ba ba ba ba
Ba ba ba ba ba ba ba ba ba ba ba ba
