

## Regret

Juniper

Sunrise shines through the crease in my shades  
Last nights jeans below my knees  
Scattered 'round the room are polaroids of last nights adventures  
But I can't remember

And it (And it)  
Doesn't matter (Ah)  
How we got here  
I'm in bed with my best friend and I don't regret it

Eyes flutter open, like glass art love potions  
There's nothing fake to our embrace (Ooh ooh ooh ooh)  
I can't hide the smile from my face

And it (And it)  
Doesn't matter (Ah)  
How we got here  
I'm in bed with my best friend and I don't regret it

And it (And it)  
Doesn't matter (Ah)  
How we got here  
I'm in love with my best friend and I don't regret it  
And it (And it)  
Doesn't matter (Ah)  
How we got here  
I'm in bed with my best friend and I don't regret it

I'm in love with my best friend, I hope she don't notice
