

Beat Silent Need

Júníus Meyvant

Don't let my feet run over you
I know you know it's the blame about it
So don't let my feet run over you
I know you know

Beat the need
Toss the mule aside
Defeat the need
Bloom to sonic flight

Don't let my feet run over you
I know you know it's the blame about it
So don't let my feet run over you
I know you know

Beat the need
Toss the mule aside
Seed the life you need
Feed the morning light

Don't let my feet run over you
Don't let my feet run over you

Beat silent need
Feed the morning light
Seed the life you need
Bloom to sonic flight
