

# Gold Laces

Júníus Meyvant

All alone

You and I together we must fine a new home

Crazy dreams follow through whenever we strive agaisnt the streams

Bring out the gold laces  
Bring out the gold laces now  
Bring out the gold laces  
Bring out the gold laces now

Tied around me

Again, begin to give your life  
Then

Hand in hand

Walking down the isle searching for new land  
All mighty God  
You alone have set the tone for new start

Bring out the gold laces  
Bring out the gold laces now  
Bring out the gold laces  
Bring out the gold laces now

Tied around me

Again, begin to give  
And tied around me  
Again, begin to give  
Your life

Bring out the gold laces  
Bring out the gold laces now  
Bring out the gold laces  
Bring out the gold laces now

And tied around me

Again beging to give  
And tied around me  
Again begin to give  
Your life
