

Hailslide

Júníus Meyvant

Hailslide in the groove
Feels like water
Sweet like honey
Hailslide in the groove
Feels like water
Sweet like honey

Twilight in the evening
Away from the rodeo
Looking at the songbirds
Praying on the awning
Straight on the sunny side
Claim it now

Away from the rodeo
Away from the fawning
Stay on the sunny side

Let the hailslide in the groove
Feels like water
Sweet like honey
Hailslide in the groove
Flows like water
Sweet like honey

Hailslide in the groove
Feels like water
Sweet like honey
Hailslide in the groove
Flows like water
Sweet like honey
