

## Payload

Júníus Meyvant

I got toes on my heels  
I got stones in my dreams  
Toes on my heels  
I got holes in my dreams

Slow down  
I got dues to rewind  
Payload  
Bruising my mind  
Wasteful  
Time after time  
On me  
On me

I got toes on my heels  
I got holes in dreams  
Toes on my heels  
I got stones in my dreams

Slow down  
I got dues to rewind  
The payload  
Bruising my mind  
Wasteful  
Time after time  
Hold on  
I'm falling behind  
From me

Not ready  
Not ready  
For the  
Not ready  
For me  
Not ready  
Not ready  
For the  
Not ready  
For me

Slow down  
Dues don't rewind  
Payload  
Is bruising my mind  
Wasteful  
Time after time  
Hold on  
I'm way behind  
On me  
On me  
On me  
On me

I got toes on my heels  
I got stones in my dreams  
I got holes on my heels  
I got stones in my dreams

You better get ready  
All these eyes on you  
You better keep it steady  
Keep on pushing through  
You're built to climb the ladder  
You brought the fox for dinner  
Got to follow through

You better get ready  
All these eyes on you  
You better keep it steady  
Keep on pushing through  
You're built to climb the ladder  
You brought the fox for dinner  
Got to follow through

Fond jealous eyes on you  
Try getting by being crood  
Stretching the night to thin  
Crowd getting stirred deep within
