

Spring

Júníus Meyvant

My love is sweet
Too sweet to hold
I would do anything
For you

My love is numb
Some days strong
I would do anything
For you

For you
For you
For you

Flowers still grow
In the bitter spring
Hold your arms wide open
For tonight
I'm broken

Flowers still grow
In the bitter spring
Hold your arms wide open
'Cause tonight
I'm broken

For you
For you
For you

Flowers still grow
In the bitter spring
Hold your arms wide open
'Cause tonight
I'm broken

For you
For you
For you
For you
